

A white speedboat with a black stripe and the number '28' on its side is moving across a body of water, leaving a white wake. The boat has a sleek, modern design with a black cabin and a black steering wheel. The background shows a rocky shoreline with trees and a clear blue sky. The boat is positioned in the center-right of the frame, moving towards the left. The water is a deep blue, and the sky is a light blue. The overall scene is bright and sunny, suggesting a pleasant day on the water.
